

Reagan Higgs: Academic Snapshot & IEP Goals

Grade Level: 5th Grade (Spring 2026) **Primary Focus:** Transitioning to Homeschool / Adult Analytics Dashboard

1. Academic Snapshot: Strengths & Needs Work

Mathematics ★★★★★

Current Status: Strongest subject. Recent assessment at previous school was 87%.

Strengths:

- Confident asking questions and attempting challenging problems.
- Shows leadership in small group settings.
- Strong understanding of using multiplication to solve division problems (inverse operations).
- Accurate with single-digit multiplication and division (90% accuracy).

Needs Work / Topics to Master:

- **Fluency:** Needs to improve speed with multiplication and division facts (currently mastered 0-5, working on 6s and 7s).
- **Multi-step Problem Solving:** Needs help identifying the correct operation and numbers to use in 2-step word problems involving all 4 operations (currently at 50% accuracy).

Reading ★★★★★

Current Status: At or near grade level with accommodations. **Strengths:**

- Strong oral communication and comprehension when anxiety is managed.

- Reading fluency is solid: 87-110 words per minute (average range is 85-137 wcpm).
- Accuracy is high: 95-96%.
- Strong decoding of multi-syllable words with prefixes/suffixes and flexed vowel sounds. **Needs Work / Topics to Master:**
- **Decoding:** Needs practice decoding multi-syllable words containing consonant-le (e.g., candle, bugle, little) - currently at 60% accuracy.

Written Expression

Current Status: Significantly below grade level; greatest academic challenge.
Strengths:

- Creative ideas and strong storytelling verbally.
- Good editing skills when given additional time (94% accuracy in capitalization/punctuation). **Needs Work / Topics to Master:**
- **Paragraph Construction:** Needs support brainstorming and drafting paragraphs with sufficient detail, linking words, and varied sentence structures.
- **Spelling:** Below grade level in vowel teams, diphthongs, and r-controlled vowels. (Strengths in initial/ending sounds, short vowels, digraphs, and blends).

Empathy & Social Awareness

Strengths: Deeply understands others' feelings, kind to classmates, works well with younger children.

2. IEP Goals & Accommodations (Actionable for Homeschool)

Goal 1: Reading Fluency & Decoding

- **Target:** Read 110 correct words per minute with 97% accuracy.
- **Homeschool Action:** Practice decoding multisyllable words with consonant-le patterns (candle, middle, bugle). Use repeated readings of passages and

multisensory phonics.

Goal 2: Written Expression

- **Target:** Score 7+ out of 8 on a paragraph writing rubric (Organization, Evidence, Language, Conventions).
- **Homeschool Action:** ALWAYS provide graphic organizers. Focus on getting ideas down first, mechanics second. Provide explicit spelling instruction for vowel teams and r-controlled vowels. Allow alternative formats (oral, visual, speech-to-text).

Goal 3: Math Problem Solving & Computation

- **Target:** 80% accuracy on two-step word problems involving all 4 operations.
- **Homeschool Action:** Practice single-digit multiplication/division fluency. Use visual representations, manipulatives, hundreds charts, and number lines. Explicitly teach how to select the correct operation in word problems.

Critical Accommodations (Non-Negotiable)

- **Testing:** Small group/1-on-1 setting, extended time (up to 50%), frequent breaks, test materials read aloud (except reading tests).
- **Instruction:** Break activities into smaller segments, flexible deadlines, reduced quantity (not quality), access to math tools (multiplication chart, number line).
- **Emotional Support:** Flexible attendance/responses, break opportunities without penalty, private correction, celebrate growth over perfection.
