

5th Grade Curriculum Scope & Sequence Checklist

Student: Reagan Higgs **Status:** Homeschool Transition (Spring 2026)

Instructions: Use this checklist to track Reagan's progress through the standard 5th-grade curriculum. Check off topics as they are mastered. Focus on interactive, real-world applications where possible.

Mathematics

☐ **Number & Operations in Base Ten**

- ☐ Understand the place value system (decimals to thousandths).
- ☐ Perform operations with multi-digit whole numbers and with decimals to hundredths.
- ☐ Fluently multiply multi-digit whole numbers.
- ☐ Find whole-number quotients of whole numbers with up to four-digit dividends and two-digit divisors.

☐ **Number & Operations—Fractions**

- ☐ Use equivalent fractions as a strategy to add and subtract fractions.
- ☐ Apply and extend previous understandings of multiplication and division to multiply and divide fractions.

☐ **Operations & Algebraic Thinking**

- ☐ Write and interpret numerical expressions.
- ☐ Analyze patterns and relationships.

☐ **Measurement & Data**

- ☐ Convert like measurement units within a given measurement system.
- ☐ Represent and interpret data.

- ☐ Geometric measurement: understand concepts of volume and relate volume to multiplication and to addition.
- ☐ **Geometry**
 - ☐ Graph points on the coordinate plane to solve real-world and mathematical problems.
 - ☐ Classify two-dimensional figures into categories based on their properties.

English Language Arts (ELA)

- ☐ **Reading: Literature & Informational Text**
 - ☐ Quote accurately from a text when explaining what the text says explicitly and when drawing inferences.
 - ☐ Determine a theme or central idea of a story, drama, or poem from details in the text.
 - ☐ Compare and contrast two or more characters, settings, or events in a story or drama.
 - ☐ Determine the meaning of general academic and domain-specific words and phrases.
- ☐ **Writing**
 - ☐ Write opinion pieces on topics or texts, supporting a point of view with reasons and information.
 - ☐ Write informative/explanatory texts to examine a topic and convey ideas and information clearly.
 - ☐ Write narratives to develop real or imagined experiences or events using effective technique, descriptive details, and clear event sequences.
 - ☐ Conduct short research projects that use several sources to build knowledge through investigation of different aspects of a topic.
- ☐ **Language & Spelling**
 - ☐ Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.

- ☐ Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.
- ☐ *IEP Focus:* Practice spelling words with vowel teams, diphthongs, and r-controlled vowels.

Science

- ☐ **Earth & Space Science**
 - ☐ The Solar System: Understand the relationship between the Earth, Sun, and Moon.
 - ☐ Characteristics of planets and other objects in the solar system.
- ☐ **Physical Science**
 - ☐ Light and Sound: Understand the properties of light and sound.
 - ☐ Forces and Motion: Explore how forces affect the motion of objects.
- ☐ **Life Science**
 - ☐ Ecosystems: Understand the flow of energy and matter in ecosystems.
 - ☐ Interactions within ecosystems and the impact of environmental changes.
- ☐ **Interactive/Real-World Applications**
 - ☐ *Suggested Activity:* Create crystals to explore physical properties.
 - ☐ *Suggested Activity:* Bird watching to observe local ecosystems and animal behavior.

Social Studies

- ☐ **History**
 - ☐ Early Civilizations in the Americas.
 - ☐ European Exploration and Colonization.
 - ☐ The American Revolution and the founding of the United States.
- ☐ **Geography**

- ☐ Use maps, globes, and other geographic tools to gather and process information.
 - ☐ Understand the spatial organization of people, places, and environments on Earth's surface.
 - ☐ **Government & Economics**
 - ☐ Understand the basic principles of the U.S. Constitution and the structure of the government.
 - ☐ Basic economic concepts: supply and demand, trade, and the role of money.
-

Note: This curriculum aligns with standard 5th-grade educational requirements and incorporates Reagan's specific IEP goals and learning preferences.
